

PHOTOGRAPHY POLICY

Any person wishing to take photographs on this site should identify themselves to a responsible officer of the club and be prepared to furnish that officer with proof of their identity. Your photography may be restricted.

We adhere to ECB guidelines on this issue. These guidelines apply to all forms of technology that can be used to record images of Young People, including mobile telephones.

The ECB is keen to promote positive images of Young People playing Cricket and is not banning the use of photographic or video recording equipment.

It is not the intention of the ECB to prohibit those with a genuine interest in filming or photographing Young People participating in cricket.

Heaton Sports Club's aims are to :

- prevent unsuitable persons from exploiting cricket to obtain images of young people
- prevent improper images of young people or an inappropriate portrayal of cricket being produced
- protect the identity of young people from publication of their personal details and/or image

By order of the Committee
