### **Standards:**

Our aim is to enable youngsters to develop basic and (where relevant) advanced cricket skills so that they can progress to higher levels of cricket, but the primary objective is for them to enjoy their cricket in a happy and pleasant environment. In addition to skills and techniques they will be experience teamwork, fair play and a culture of good behaviour. To these ends we have developed codes of conduct for our coaches, and for parents/carers, and also for our junior players to which we seek parental commitment.

Heaton Sports Club, in all activities, is fully committed to the principles of equality of opportunity in cricket. We will ensure anyone participating in or watching Heaton Sports Club activities will be treated fairly and are able to conduct their activities free from discrimination, harassment or intimidation.

### **Kit:**

Please ensure for hardball cricket (U11's upwards) protective equipment is provided, liaise with your age group manager if more information is required, some communal kit is available.

Match kit will be will be provided by team managers. For those Juniors playing Senior cricket whites are required.

### **Professional Coaching:**

Our Club Professional & Overseas Amateur can offer 1-2-1 sessions. Please contact: **Tilly (07754 020262) or Malinga on whatsapp** for more details or liaise with your Team Manager.

### **Communications:**

We use Whatapp to communicate across our age groups and upon registration parents will be added to the relevant group. Our Twitter feed **@Heatonsports** is probably the best way to stay in touch with general club events but we are always happy to discuss any issues face to face.

Please also download **Stack Team App** from App Store/Google Play and search for Heaton CC. Your request to join will be accepted and all fixtures and events for the whole club will be available to view.

### **Team Selection:**

Teams are selected on ability but we endeavour to be as inclusive as possible so as many children as possible get a chance to represent the club. A pre-requirement for consideration is that we expect juniors to attend junior practice sessions on a regular basis. We play in the GMCL ([www.gtrmcrcricket.co.uk](http://www.gtrmcrcricket.co.uk)).

### **Social Membership:**

Our ability to provide cricket depends on the commercial viability of the bar, please support as many social events and functions as you can and we encourage parents/guardian to join as a Social member £20 p.a. to receive discounted drink prices.

**Finally, please remember that all age group managers / coaches are volunteers who give up their valuable time to help us provide junior cricket. We always need more help!**
